No. 14.—The following notification of the Government of India is republished :—

FINANCE DEPARTMENT.

ACCOUNTS AND FINANCE—PUBLIC DEBT.

Simla, the 20th April 1917.

No. 868-F.—In their Finance Department's Notification No. 745 F., dated the 6th of April 1917, the Government of India published the details of two schemes which had been devised to assist Government servants in subscribing to the Indian War Loan by means of monthly deductions from their pay. The first scheme, which enables the monthly payments to be spread over 10 months, was made available to all Government servants throughout India; but the second scheme, in which advantage was taken of an offer of the Bank of Bengal to prolong the period of payment to two years, was at the outset confined to officers serving in the Bengal Presidency and in certain other Provinces in which the Bank of Bengal operates. The Government of India have now much pleasure in announcing that the Bank of Bombay and the Bank of Madras have agreed to make available to Government servants employed in the marginally * noted areas the same facilities for subscribing to the War Loan by means of 21 monthly deductions from their pay as are afforded by the Bank of Bengal's scheme. Accordingly the Government of India, on a request from an officer, who desires to subscribe in this way to the Indian War Loan will deduct from his pay and pay to the Bank the amount due each month for repayment of the Bank's advance. The terms on which advances will be made by the Banks of Bombay and Madras are in all respects similar to those of the Bank of Bengal scheme, as described in Appendix B to the notification of the 6th of April 1917; and, as stated in paragraph 3 of that notification, the scheme will be alternative and not in addition to the Government scheme described in Appendix A.

* Bank of Bombay—Bombay Presidency, Sind and Berar.
Bank of Madras—Madras Presidency.

MADRAS PORT TRUST.

REPORT ON THE AUDIT OF THE ACCOUNTS OF THE PORT TRUST, MADRAS, FOR THE YEAR 1916–17.

Letter—from A. NEWMARCH, Esq., Accountant-General, Madras and M.R Ry. N. SETURAMA AYYAR Avargal, B.A., Chief Superintendent in charge of Outside Audits, Madras, Auditors of the Madras Port Trust Accounts.

To—the Trustees of the Port of Madras.

Dated—Fort St. George, the 27th July 1917.

No.—O.A. 16-6919.

We have the honour to report that the audit of Revenue and Minor accounts of the Madras Port Trust for the year 1916–17 has been completed.

(*a*) Comparative statement of revenue receipts and expenditure.
(*b*) Statement of capital, interest and debt.
(*c*) Balance statement of the Trust's minor accounts.
(*d*) Comparative statement of receipts and expenditure of the Madras Pilotage fund accounts.

2. The statements noted on the margin attached to the Board's administration report for 1916–17 have been examined and signed by us.

3. The statements showing in detail the transactions of deposits, the Provident fund, the Disabled Boatmen's fund and the Biden Sailors' Home Charity fund are appended, marked A, B, C and D.

4. An account for 1916–17 showing the receipts and disbursements with the opening and closing balances of the Trust's Capital account is also attached, marked E.

5. During the year under report a sum of Rs 5,00,000 being the final instalment of the Imperial loan of 50 lakhs sanctioned by the Government of India for improving the working facilities of the harbour was drawn from Government and credited in the Trust's accounts. The following loans were also received.

(i) Rs. 3,00,000 being the first instalment of the additional 5 lakhs sanctioned for improving the working facilities

(ii) Rs. 8,00,000 for repairing cyclone damages. The outstanding balances of the several loans shown on page 19 of the administration report have been compared with the balances on the books of this office and found to be correct.

6. The cash and security balances to the credit of Revenue and other minor accounts on the 31st March 1917 have also been verified with reference to the pass-books and safe custody receipts of the Bank of Madras.

7. The Revenue account closed with a balance of Rs. 3,54,992-3-7 in cash on the 31st March 1917.

8. During the year under report an agreement has been entered into between the Madras Port Trust and the South Indian and Madras and Southern Mahratta Railways for the performance by the Trust of terminal services on traffic despatched to and from the Madras harbour from and to stations of these two railways. Under clause 8 of the agreement, all collections at the harbour goods shed are paid into the Bank of Madras to the credit of the accounts of these two railways. The proportion due to the Trust on account of harbour terminal charges is repaid to it when the monthly statement of account is rendered. This account is checked in detail by a special accountant appointed for the purpose by the Port Trust, with reference to the invoice and delivery books maintained in the goods shed. The Government Auditors, therefore, check only the total credit in the cash book with the total amounts advised by the Chief Auditors of the two railways.

9. The accounts continue to be maintained in a very efficient and systematic manner. Very few irregularities were noticed in the course of the monthly audits, and these have been promptly and satisfactorily explained.
